COLLABORATION CONTRACT

The Center for Colloid and Surface Science (CSGI) – University of Bari OFFERS for a Collaboration contract

CSGI is looking for a highly motivated and creative researcher with a Master's degree in Chemistry or equivalent for foreign applicants, with not less than 3 years of research experience in the field of polymer and surfactant self-assembly and adsorption at solid surfaces. Successful applicants will have expertise in the determination of the surface energy, surface zeta-potential and electroosmosis flow mapping and have to be fluent in both spoken and written Italian and English.

In addition, are highly desired for the position:

- experience in dynamic light scattering (DLS) surface plasmon resonance (SPR) and thermal gravimetric analysis (TGA), applied to the study of interactions between solid surfaces and soft matter;
- experience in data analysis;
- to be creative, self-motivated, and fit an efficient and friendly multidisciplinary atmosphere;
- International experience (research projects, collaborations, participation in conferences),
- knowledge of further languages will be positively evaluated

The research will be carried out at the CSGI c/Department of Chemistry "Aldo Moro" of the University of BARI (supervisor Prof. G. Palazzo) with the following title:

Surfactant-Polymer interactions at the liquid-solid interface

Time period:

February 1, 2020 – January 31, 2021
