CALL ID: CSGI-FI-01/2022

The Center for Colloid and Surface Science (CSGI) has an open position for a researcher, with experience in Physical Chemistry of Soft Matter.

The fellow will have the possibility to work at world-class scientific level in a multidisciplinary and international team, on a joint academic-industrial project entitled:

“Physicochemical characterization of capsules for applications in industrial formulations”

Time period:

April 1, 2022 – September 30, 2022

Location:

CSGI, University of Florence, Department of Chemistry “Ugo Schiff”, Via della Lastruccia, 3 - 50019, Sesto Fiorentino (FI)

Job Requirements:

CSGI is looking for a highly motivated young researcher with a BsC or Master degree in Chemistry or Biotechnology, with expertise in the following fields:

- Preparation of self-assembled systems;
- Colloidal characterization of soft matter materials through spectroscopic, scattering and microscopy techniques.

The recruited person will:

- Actively participate in research, lab management and set-up of new experimental methodologies
- Perform the planned research activities, analyse data and write a monthly report
- Actively participate in biweekly research meetings with the industrial partner

Gross salary: up to EUR. 21.000 €/year.
