CALL ID: CSGI-BA-04/2019

Open Position for an employee with experience in project management to work in the framework of the EU Project "Single molecule bio-electronic smart system array for clinical testing – SIMBiT"

The Center for Colloid and Surface Science (CSGI) – University of Bari is the Coordinator of the Project "SiMBiT - Single molecule bio-electronic smart system array for clinical testing" (n. 824946), funded by the European Programme Horizon 2020, call H2020-ICT-2018-2.

CSGI is looking for an employee with a master's degree in chemistry and experience in the management of European and International projects in the field of research and innovation. The selected candidate will be responsible for the management of the SiMBiT project, in close cooperation with the project coordinator.

The fellow will have the possibility to work at world-class scientific level in a multidisciplinary and international team.

Time period: March 1st, 2019 – October 31st, 2020

Location: CSGI, University of Bari, Chemistry Department, Via Orabona 4, 70125, Bari (BA)

Job Requirements

CSGI is looking for a motivated fellow with a master's degree in chemistry with the following expertise:

- preparation and processing of technical and financial reports;
- organization of teleconferences, project meetings, workshop and conferences.
- experience of laboratory management
- fluent spoken and written English
