Subject: Open position for an early-stage researcher within the EU Project "BIOCLEAN – 'BIOfilm management and CLEANing by leveraging fundamental understanding of biological, chemical and physical combined approaches"

The examination committee for the position of an early-stage researcher within the BIOCLEAN project constituted by Prof. Claudia Crestini, Prof. Elisabetta Di Bartolomeo and Prof. Alessandra D'Epifanio convenes on October 19th, 2016 at Department of Chemical Science and Technology of University of Rome "Tor Vergata" to examine the received applications.

After careful evaluation of the submitted documentation, the committee declared that candidate Lili ZHEN is the most qualified for the job position. She will be promptly informed about the attribution of the work position.
